I just learned of Barbras passing. Sorry i missed the visitation. Barbra worked for me in Physical Facilities at BYU for many years. I just want to remind her family what a remarkable person she was. She was dilligent in her work, never late, and loved the people she worked with. I think of her often and wish her family well. She has been missed at BYU since she left and I am certain her determination and love will be missed by her family. Thaks for sharing her with us for all those years. Sincerely, Jim Dain Managing Director Physical Facilities BYU
