I would like to extend my sympathy. Bryan filled the room with smiles and laughter. He will truly be missed and he was a humorous and kind man. He used to tease me about washing my black car on a regular basis, offering to show me how it was properly done and parking his dark vehicle by mine and showing me how clean and spot free his was...it became the running joke between us and he always brought a smile to my face. I am so happy I was able to meet Bryan and get to know him, even though it was only briefly.

Bryan worked with Harv and me at Roskelley Supply for many years. I cherish the memories we all made together in work and play. Bryan was always in the middle of whatever mischief was at hand and brightened everyones days. He was a good friend to all. My special prayers and best wishes to Jessica, James, Aubrey and Andrew. I can see each of your sweet baby faces in my memory. How time flies! Kindest regards, Jean (and Harv) Foulks

I am happy to have been a friend of Bryans. I have memories of happy and fun times with him. I loved to golf with him, both of us being equally "not great." We didn't count strokes as neither one of us could count high enough. What really mattered to us was the fun...fun of each other and fun of ourselves. His smile and laughter made the day for all who who were there.
