Dallin Kent Ashby

OCT 24, 1999 - JAN 8, 2013

Our beautiful, courageous, beloved hero, Dallin Kent Ashby went home to his Savior on January 8, 2013, surrounded by his family. Dallin was a compassionate young man who did his absolute best to love everyone. He was one that would hug each of his loved ones without a hint of embarrassment. He especially loved little children.

One of Dallin's favorite pastimes was being out in the snow and sledding with his friends and family. He also loved swimming and recently made the Sports Academy Bronze Team. He loved scouts; he was always excited to go camping and hiking. Dallin enjoyed playing in the pep band and he was a first-chair trombone in the Mount Logan Middle School 7th grade band. He was an incredibly creative boy who loved to read, draw and create works of art. He would often take scraps and fashion them into toys that even his older siblings wanted to play with. Some of his happiest moments were spent playing with his cousins Sam and Tom Swindler.

Dallin loved to go to the temple. He was so proud to help others receive their temple covenants. He was able to be a cornea and heart valve donor, and his family feels he would be very happy to know he gave this priceless gift.

Dallin is survived by his loving parents, Kent and Sandra Ashby; his three older siblings: Brittani (24), Eric (22), and Amy (18); four grandparents; 23 aunts and uncles; 39 cousins and innumerable friends. We would like to express our special thanks to current and former Bishops, the staffs at Primary Children's and Logan Regional Hospital, and Ty Henrie for their enormous love and support.

Dallin loves you all.

Funeral services will be held Monday, January 14 at the church building on 325 Lauralin Drive. The viewing will be from 10:00-11:45am; the funeral will be held at noon in the chapel.

Dallin would brightened my day with just a simple hello through the fence. He would put a smile on our face when he came over to retrieve an occasional stray ball or whatever it was he had found a creative use for. Everyone will miss the pleasant energy he always afforded the neighborhood. Dallin was so well mannered and good natured, it is truly a reflection of his wonderful parents. Our sincere thoughts and prayers are with you.

Dear Ashbys, What a sweet boy Dallin was. I loved to hear him giggle. One of my fondest memories was when he and Jillian were running thru the sprinklers in your yard. They were laughing and having the time of their life. His squeals of joy brought a smile to my heart. I'm grateful to have had him in my life. I pray that you will be comforted and feel the great love we have for your family. May God bless you!
