My sympathies go out to Bob's family and his many friends. I knew Buck for over 40 years and he was a great friend that would do anything for anyone that needed help. I will miss his mischevious smile and great company. I never knew anyone that knew horses better than Buck and he helped me with some tough broncs. Buck had many health issues for the past few years which prevented me from sharing more time with him but I will miss him and his laughter. Rest in Peace my friend.
