Dear Betsy, I am so sorry for your loss. Jeff was my best friend for most of my youth and I have thought of him very often. I am always telling stories that have included him. We had such a great time together as kids. We learned to play guitar together by wearing out the grooves in our favorite albums, and of course learned to be quick on our feet being chased by all the town bullies. What a great guy and good man Jeff turned out to be. I will miss him in my heart very much. I hope you and your family can find peace..
