To the family of Helen and John Clegg we send our deepest condolences on John's death. We have fond memories of sharing dinners and parties with Helen and John as he and Lawrence were members of the Electrical and Computer Engineering Department at BYU. Helen and Noma shared lots of moments as members of EE Wives. We will always remember John as a cheerful, friendly person and always with a story or tale to relate. Sincerely--Lawrence and Noma Bowman, 2030 North 500 East, Provo, UT 84604

I appreciate the wonderful man Brother Clegg was. In 1965 I was privileged to be in his book of Mormon class. Perhaps it was because of his background in engineering, but he did not conduct the class fact by fact as my roommates teachers did. He was more interested in our learning the doctrine and feeling the spirit of the book of Mormon. For that I will always be grateful. May the Lord bless you at this tender time.

I have the most wonderful memories of a phenomenal teacher and adviser from my years at BYU. Brother Glegg was one of a kind. Very firm but always fair. He wouldn't let you get away with anything but your best work. He held us to a high standard. My most sincere condolences and prayers for the comfort of family members and friends. John Glegg was a great great man. Thank you Brother Glegg for inspiring us to be the best we could be. David Shaw (BSEE '80, MEEE '81)
