Jo, Cory, Deepest sympathies are with you at this time. We were so sad to hear of Dave's passing. He is up there fishing and will look down on you to make sure you are happy and well. We were talking about all our memories and one sticks out in our mind. The time we went camping and the only music we had for four days was Meatloaf. Then how it took three of us just to wash your hair. Good times. We love you. Trent and Val
