Linda was one of the best. She cared for my son and daughter as infants. I taught both Lee and Peter in first grade and knew her as a parent, care giver, and friend. I have laughed with her and cried with her. She taught me ceramics and patience. She will be greatly missed.

To all of Linda's family my sincere condolences. Linda and I were best friends all through high school. My late husband and I were married on her birthday! She was a great friend. I have many fond memories of our times together. I spent a lot of time at her home on West Street in Gloversville and was welcomed into the activities of her church. I remember one time sitting in the kitchen where she lived and her Mom said something to her and she passed her back lucky for her she moved faster than her MOM! She will be greatly missed by all she touched with her warmth, humor and kindness. I hope all your wonderful memories will bring you peace and comfort in the days ahead. Linda was a wonderful friend and person.
