Sheridan Lynn Daines

JUN 15, 1938 - JUN 13, 2014

Sheridan Lynn Daines loving Brother, Father, Grand & Great Grandfather (Bumps), died June 13, 2014 in Saratoga Springs, Utah.

He was born June 15, 1938 the 3rd son to Raymond King & Evelyn Eliza (Lowe) Daines in Salt Lake City, Utah. The fact that he never graduated from High School did not affect his ability to complete his pre-med studies at University of Utah & going on to graduate Medical School at George Washington University. He was an amazing physician & most patients referred to him as "Doc" or "Professor". He was gifted in many ways artistically ranging from carving, bronze work, honky-tonk piano, but most treasured to his children, grand & great grandchildren are the embroidery work Christmas Stockings he has done for each of them. He loved to sing & passed that love on to his family, and he especially loved to drop the last note an octave...simply because he could! He loved hunting with his boys & fishing with everyone in the family, and always said he felt closest to his Heavenly Father when he was outdoors. He married Nancy Lee Mae Porter, the love of his life, on September 16, 1960. They had a wonderful 53 year marriage. He is now happily reunited with her at last.

He is survived by his brother Dixon V. (Lee Etta) Daines, children Sherri Lyn & Richard Bosworth (Brian, Maegan & Justin), Amy & Steve Wallace (Alexia, Samantha, Jessica, Gordon, Miranda, Daines, & Cecelia), Chad (Brittany, Daniel & Anna), Todd (Eddie, Cooper), Melissa (Cassandra, Ashley, & Trevor), Jeremy & Shawna (Clarissa, & Jeremy), & 8 Great-grand children. He was preceded in death by his parents, the love of his life Nancy Lee Mae (Porter) Daines, brothers Lowell Raymond Daines, William Kay Daines & Grand-daughter Danielle.

A graveside Memorial Service will take place July 12th 2014 at the Franklin Idaho Cemetery at 2pm.

It will be followed by a Celebration of Life at the Horsely Park in Brigham City UT

Dearest Daines Family, You may not remember me, but I am hoping you will. I was an admirer of your beautiful family as we grew up together for a time in Ogden. Missy, you made a pm everlasting impression on my life. I have thought of you lovingly over the years and wondered about you and yours. Just today, I decided to do a search under your dad's name to see what I could find. Last I remember, you were living in Lake Havasu. Please know how very sorry I am for the loss of your Mother, and most recently, your father. I hope that loving memories of them will sustain you and comfort you. Do you think that we could connect? I would love to hear from you! My email is vanandmelissahansen@comcast.net and my telephone number is 801-366-4445. Please take good care of yourself and tell you family how grateful I am for the impression they made on me. (I've loved skunks, ferrets and the Beatles ever since loving all of you!)

Sheridan and I have been friends since the 6th grade. About ten of us ran around together. Shane had to leave, however, when his senior year was kicked out of school for a B'Ivers incident. But, our friendship picked back up when he and Nancy came back to Utah. A good friend! We will miss him.

The Bible describes the future condition of humankind on earth by stating that God "will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." (Revelation 21:4) The Provider of the marvelous benefits and happifying conditions to come declares: "The former things will not be called to mind, neither will they come up into the heart. But exult, you people, and be joyful forever in what I am creating."—Isaiah 65:17, 18. I am very sorry for your loss. May God's Word comfort you and your family. Sincerely, Meryl
