I am so, so sorry to hear about Bekkah. I will always remember those years when we were in junior high. She was my best friend. I still think of the day we sat outside your house in Gooding and sang songs from our favorite movies. Bekkah had such a kind heart. You all will be in my prayers. With love, Jessie

Words can't express the sorrow and hurt I feel for your family at this moment. Bekah was a really great friend. She will be missed by so many people. :( I'm thankful that she is no longer in pain, but my heart aches just the same. I have way too many memories to share on this page, but I will always remember her with a smile on her face. She was one in a million!

So sorry to hear of your loss! Bekah was a friend and classmate in Gooding. I didn't keep contact with anyone for a long time after high school, but thought at times about those friends who had meant the most to me. Bekah was one of those friends. I often wondered how she was doing and if she ever came back to the church. It hurt me to see her go astray during high school and I wished I could have convinced her that she needed the gospel. Despite her wrong turns in life, she was a wonderful person. I believe she got lost for a while and truly hope she found her way back. She had a special spirit to her and I could see that she had great potential for good if she could ever see it in herself. She will be missed!!
