Leonard was old school and had a hard side to him but for anyone who cared to probe there was a soft caring side also. He didn't always show it but he loved his wife Lena very much and wanted to join her in death. He and Lena were very fortunate to have someone around to care for both of them in their later years. Carrie and Eric were there for them every day and night through some very trying times and with very little support a lot of the time ! GOD Bless Leonard, Lena, Carrie and Eric.
