Les G Fuller

OCT 13, 1943 - AUG 9, 2014

A great man, Leslie Gene Fuller (Les), left this world on August 9, 2014, surrounded by his loving family, after a courageous four year battle with prostate cancer. Les was born on October 13, 1943, in Salt Lake City, Utah to Floyd Burton and Merveen Hansen Fuller. He married Linda Okamura on June 24, 1966. Les grew up in Holladay, Utah and attended Olympus High School. He joined the Army during the Vietnam War and was stationed in Ft. Ord, California. Les worked at Alta Ski Lifts for over 30 years where he developed many of the technologies used in the ski industry today. He served several terms as the President of the Intermountain Ski Area Association and was appointed to the Utah State Tram Board. During his life, Les was always looking to improve his surroundings and those with whom he associated. He loved the outdoors and enjoyed skiing, camping, hunting, fishing, and playing golf. He taught by example to always have compassion for others and believed that there was good in everyone. Les' greatest accomplishment was his family and his happiest moments were spending time with them. We love you Dad! Survived by his wife of 48 years, Linda; children - Gary (Gerry) Canfield, John (Teri) Fuller, Julie (Rob) Steele, Emilie (Wes) Stahl, and Kathryn (Derek) Lowe. Grandchildren - Steven Canfield, Sarah Stahl Davis, Lauren Canfield, Liz Fuller, Ashlee Steele, Michael Fuller, Nick Steele, Jessica Lowe, Hailey Stahl, Tyler Stahl; mother-in-law, Angelina Okamura, brother, Larry (Carol) Fuller, sister Marilyn Phillips, and a large extended family. Sincere thanks to the staff at Utah Cancer Specialists, Dr. Chandramouli, Dr. Gange, and Dr. Avizonis. Viewing on Thursday, August 14, 2014, 6-9pm at the Whitehall Ward, 3150 West Whitehall Drive (3985 South), West Valley City, Utah. Per Les' wishes no funeral will be held. Please join us also for a Memorial Celebration at the Wheeler Farm Barn, 6351 South 900 East, on Friday, August 15, 2014 from 11-2 pm. In lieu of flowers, please take your family camping!

Who knows where the time goes? It seems like yesterday, we cousins were playing at Grandma and Grandpa Hansen's house. It's hard to believe they are gone, along with Edna, Millie, Beanie and Floyd, and my dad, Carl. Our family always had a lot of love and a lot of laughter. I know, Leslie arrived in heaven and was greeted by all of them and a few cousins. Earth is a little sadder, Heaven a bit more joyful. Miss you all.

To Les Fuller family--I am sorry for your loss. I will always remember Les from his days working at Alta. He always had a smile and joked with me since we shared the same first name. I am sure his love of the outdoors was shared with you all.

My heart goes out to the Fuller Family today. I know your loss is hard. Les was a great man, and always treated me like family. Ashlee was my very best friend growing up, and i'm grateful for the fun times I spent around the Fuller Family. I especially remember playing basketball in her Uncle's front yard, and going to dinner, and Lagoon but most of all I remember all the good times we had, and how they always made me feel like family. Julie, and Rob were like a second set of parents to me. Thank you for all the great memories, they were some of the best moments of my life. Your family is one of the best families I have ever known. Much love and comfort to you all during this hard time. -Sam
