## **Joni Sue Goddard**

MAY 23, 1958 - DEC 13, 2011

**W**ith thankful hearts we pay tribute to our mother who passed away December 13, 2011. Everyone will miss her loving spirit and sweet smile as well as her signature wink that made everyone feel so special. Joni had a way of making you remember even a chance encounter with her through her genuine character, caring heart and infectious charisma. Joni is survived by her two daughters Cori Sue and Carla, sisters Debbie and Michelle, brother Michael, and many nieces and nephews, especially Julie and her two wonderful boys Kanyon and Colton and Shannon, Zach and Ireland. She was thankful to have a special and meaningful relationship with her granddaughter, Savanna and to have the opportunity to meet her grandson Bridger. She dearly loved her little dog Daisy and cat Autumn. She is preceded in death by her father Martin, Mother Florine and little sister Carla. Joni graduated from West High and was lucky enough to have great friends throughout her entire life, like her best friend Robin Vezeau, who was so helpful in her last hours. A special thanks to her loving sister Debbie who was a fantastic caregiver and gave her a fulfilling last few months of life. We are so grateful for the special care we received throughout from all of the Doctors and Nurses that were so gentle and loving toward the entire family. Her two daughters will miss their mother so much, but know that she is in a healthy, happy place and will always be looking down upon them. Savanna and Bridger will have their own special angel watching over them all their lives. In lieu of flowers, memorials may be sent to Mountain America Credit Union in the name of Joni Goddard. She would love you to wear yellow to her Celebration of Life, which will be held at 2450 S. 600 E. SLC at noon on Saturday December 17, 2011. Enter through the north doors.

I will miss my mommy so much, I know she is in a better place free from pain. When ever I was sick I always wanted my mommy and she was always there for me and made me feel better. I will miss her daily phone calls and her cute messages. It's so hard to know I cant just pick up the phone and give her a call.
