I am so sad to read of Dan's passing. He was my boss at David W. Evans. We had wonderful, thought-provoking conversations, and he taught me a lot about the business. Dan was funny, warm, and always kind. He adored his kids. I'm so,so sorry. He died too young.

I was so sorry to learn of Dan's recent passing. You have my deepest sympathy in the sudden loss of such a warm, loving person. I worked for USS Chemicals / Aristech from 1985 - 2000. I was in Florence, KY working for Don Bowman much of that time who collaborated famously with Dan for many years on advertisements, videos, brochures and much more. I will always remember Dan as a helpful, positive person who cared deeply about his clients. I am sure his passion for business paled in comparison to his passion for family. With that, I know that your sorrow is great. Lauren Stack

Dear Huch family, I am very sorry to hear of your loss. Dan was so very nice to my dad and to all of my family. I remember the time many years ago when Dan went out of his way to surprise me with Pittsburgh Steelers souvenirs when I visited the family in Coraopolis. May God's peace be with all of you at this trying time. Dan will be missed by many, many people. Jim Cooper

Dear Huch family~ John and I want to send our love to you at this sorrowful time. We have such fond memories of being neighbors and friends so long ago now. A friend sent me a note when my Daddy died and told me "Those who love deeply grieve deeply." That helped me so much. I knew I would see him again and that we are family forever. I just missed him here with me. Time will help you with the pain and wonderful memories will take its place. Many prayers and much love for you, Lisa and John Porter

I had the privelege of knowing Dan while I worked at Evan's Group. I had worked at Gardiner Ad. and when they went out of business and their accounts were purchased by Evans, I was part of the staff that moved to Evans. Dan was probably the ONLY person at Evans Group who treated me like I was a real person with a brain and a career. He was a good guy and I'm sorry to read of his loss. I hope his family and friends find peace in the memory of what a good person he was.
