Dad, Within myself there is you. Within my every dream and every struggle, you exist. My tears shed, are shed for you. Not in pain, not in sorrow, but in love and joy. Dad, you fashioned who I am. Without you, there would be no me. How I love you. You are everything to me. Throughout my life, I have grown to recognize a perfection in you which now buds like a sapling within me. Dad, do you know what you have given to me? Can you see who I am, because of you? Are you able to understand those precious gifts I received from you? Does the truth of everything you have provided for me, reside within your soul? Where I am you once were, where you have been I want to be. I am me, because of you. From your beloved kindred. Written by Rebekah Lewis (daughter) I love you dad.
