Wow! What an incredible person!! Words can not express how much love and admiration that I have for my friend Noelle. She has always been a wonderful support to me in my life. We've had so many great experiences of which I am truly grateful. Idaho was ZION and it was due to her influence. I'm truly saddened by her passing and she will be sorely missed. Noelle has always put her family first and knew where her priorities were. She never compromised them. Travis and family, our prayers are with you and you will not be forgotten in your time of need. Love, Cindy Lindsay and Carson
