Dear Robison Family I was so sad to read about Brother Robison's passing. I worked as his assistant in the Sealing Office for several years and enjoyed it so much. He was wonderful to work with. I also arranged with him to seal my daughter-in-law's family together some time back. My thoughts are with your family at this difficult time. Love, Gay Covington

Many years ago, Laren Robison taught a class at BYU that was the basis for my career path. The class was excellent and I will be forever grateful for how it changed my life. Years later we served on the BYU faculty together and I got to know Laren better as a person. His sense of humor, musical talents, faith, and wisdom have had a significant impact on my life, which I will never forget.

We express sincere Aloha to the Robison Ohana and especially Sis. Robison. We love Pres. Robison and feel it a blessing to have known him these past few years. Jesse has fond memories of singing next to him in choir and how he learned so much from him to the point of being accepted to be a member of the LDC UVU choir. Sad for us to not see him here on earth, yet what a reception he will receive from all the ancestors that Temple work was done for. Mahalo Nui Loa for giving our Ohana an oppportunity to help with some of that work. Our prayers are with you Sis. Robison for we love you so and pray for comfort and peace for you and your family. Dear Patty, We send to our love and sympathy in the passing of Larry. What a dear friend and such a cheerful, uplifting man! I so enjoyed our association in Army Basic Training at Fort Ord, California with Larry. Then he, Bob Tolman, Pvt Spratt, I went in a "buddy team" to the 5th Division headquartered in Augsburg, Germany. There Larry joined the Division's Choir and toured Europe and we other three served in the 2nd Infantry Regiment in Munich, Germany. After our military service you married Larry and I married Carol and were students at BYU. Later, we two couples met in the old apartment building on Feronia Street in St Paul, Minnesota as Larry and I became students at the University of Minnesota. Larry led us in rehearsing for the Autumn "Praise Ye the Lord" presentation in the the Minneapolis LDS Stake. What fond memories Carol and I have of that of other experiences with you and Larry. Most memorable were the get-togethers in our apartments in that very old apartment building. We remember, too, when your dear mother came to help you with your first child. We love you and express our sympathy to you and to your family, Bruce and Carol
