Kenneth Lawrence Schoenrock

DEC 30, 1949 - MAY 1, 2014

Kenneth Lawrence Schoenrock, 64, passed away May 1, 2014 in Provo, Utah. He was born December 30, 1949 to Lawrence Arthur Schoenrock and Mary Bernice Jensen Schoenrock in North Hollywood, Ca. He attended Cohasset Street School, Lakeridge Jr. High School and graduated from Birmingham High School. He attended these schools in Van Nuys California where he grew up with his sister. He attended BYU in Manufacturing Engineering. He served an honorable mission for the Church of Jesus Christ of Latter Day Saints in the Central States Mission. Ken served six years in the Army National Guard. Ken was a master engineer. He could build or fix anything. He loved working with steel and worked the majority of his career at Valtek in Springville, Utah. He later started his own business, Alloy Machine Shop in Spanish Fork, Utah. He trained his three boys to work and passed on his knowledge to them. He was always a hard worker and never quit until the job was done right. He had a passion for cars and motorcycles. He loved working on them and customizing them. He also helped his son Jared start an off-road company Competition 4x4. Ken enjoyed going to Easter Jeep Safari in Moab each year with his kids. The trip was also good for work and became a yearly tradition. Ken had a funny sense of humor that often came out when you least expected it. Ken is preceded in death by his parents. Ken is survived by his six children; Jared (Alin) Schoenrock, Justin Schoenrock, Ryan (Claire) Schoenrock, Summer Trujillo, Tasia (Tyler) Hutchings, and Jessica (Adam) Christensen, his sister Sally (Gary) Gerbich and 12 beautiful grandchildren.

I knew Ken in Cohasset St School (Elementary School). At one time I was his girlfriend around the 5th or 6th grade. He was a quiet, very nice, and sweet guy. We use to go to the trampolines on the weekends for fun. Since I'm newly retired I decided to look up old friends and see how they are doing and I came across this sad news. I'm so sorry for your loss. He was a great friend and must have been a terrific father and husband. I know he is missed. The photo I posted is our class picture in Cohasset St School. I am on the top row 4th over. Ken is at the bottom row second person over next to the teacher. I will inform my classmates on face book that knew him of your loss. Again, I am so sorry... Sincerely, Linda Allgood

Ken was a great cousin. we spent many hours doing things together when he lived in California. When my mother was working I got to spend a lot of time at the Schoenrock house in Van Nuys. Ken was like a big brother to me during that time. I will miss him until we meet again

Ken has a giant heart. He is always giving and sharing his knowledge of working with steel and machinery. Any time I had a problem with a project he always offered his expertise and the use of his machine shop. I always looked forward to seeing Ken for lunch. It had become part of my day. He is truly a great example of what a friend should be. He is a very great friend to me and I am happy to know I will see him again with his family and friends. I will miss him, for the short time we have on earth. I know with all my heart he is happy and pain free from all his challenges and physical pain he has delt with on this earth. And for that I am very grateful to our Heavenly Father. Take care my good friend and enjoy the peace and love that surrounds you. All my love, Scott

Oh Ken, I can't believe you are gone. You have always been such a fun and caring person to have known. You were truly my movie, dinner buddy and someone I could always talk to. We sure laughed a lot. Always so gracious and kind, loving your family and the Savior. Because of you, I have a cell phone and now don't know how I ever lived w/o it six years ago! I know you always teased me about it and even my family gave you the nick name of the "cell phone guy." I will miss your text messages, laugh, and our fun crazy dates. You made such an impact on everyone you met for the good. Heaven took you too soon. Every time I wear the jewelry you gave me, I will remember my dear friend who left the world a better place because of your participation in it.....Always, Linda
