Megan Christa Snook, age 32, of Salt Lake City, UT passed away on Sunday, May 18, 2014. Megan was born February 24, 1982 in Costa Mesa, California to Donald and Jeanne Snook. Megan attended Azusa Pacific University where she graduated in 2006 with a Bachelors of Science in Education. She went on to work at The Fathers Heart Ranch in Sky Valley, California as an Education Liaison and Caretaker. She was honored to work with this organization and see healing happen in children's lives. Megan touched so many lives with her love, laughter, and compassion for people. Megan left this world much sooner than we had hoped, although she will be greatly missed, we are comforted and rejoice in knowing she is celebrating her life in Heaven. Megan is survived by many loving relatives and friends. Jesus spoke of a time when "all those in the memorial tombs" would "come out" to renewed life in a paradise earth.—John 5:28, 29; Luke 23:43. True, that glowing hope does not take all the tragedy out of death. Jesus himself broke down and cried over the death of his friend Lazarus—and that was just minutes before he resurrected him! At least, then, death is not always final. Jesus and his Father, both hate death. The Bible calls death "the last enemy" and says that it will "be brought to nothing." (1 Corinthians 15:26) In the coming Paradise, when Satan's rule is a thing of the past, death will be gone forever. Its innocent victims will be reclaimed by the resurrection. This is the hope for, Megan as well. Then, we will at last be able to say, 'Death, where is your sting?'—Hosea 13:14. I am very sorry for your loss. May God's Word seek to comfort you and your family. Sincerely, Meryl
