## Mark Snow Whiting

FEB 13, 1954 - OCT 1, 2013

**M**ark Snow Whiting passed away in his home in Mapleton on Tuesday morning, October 1, 2013. He was born in Provo, Utah on Feb 13, 1954 to Juan and Alma Whiting. Mark graduated from Springville High School in 1972. After school he accepted the call to serve an LDS mission in the Japan, Nagoya Mission. Education was always important to him and he received his Bachelors in Communications at BYU and Graduate Studies at USU. He met his lovely wife, Judy at Utah State and they were married September 4, 1981 in the Salt Lake Temple. They celebrated their 32nd anniversary in September. Integrity and commitment to quality work were hallmarks to his success in all of his personal and professional endeavors. His mission was just a beginning to his service in the church as he later served over 11 years as a stake missionary. With all of his callings in the Elders quorum, High Priests group, and Gospel Doctrine Teacher, his favorite callings were Nursery Leader and Home Teacher. He loved little children and his life and breath was his family. He served them with everything he had and devoted his life to them. Quantity time was a philosophy he learned from his father and he lived it by spending countless hours on tennis and basketball courts. He also made time to have deep and meaningful conversations with his family and friends. He had a firm and resolute commitment to the Lord and knew that families could be together forever. With all of the pain and suffering he underwent while battling cancer, he never stopped believing in the plan of salvation. He is preceded in death by his three children Christopher, Julia, and Lynzy, his brother David Juan Whiting and his father O. Juan Whiting. He is survived by his wife, Judy and his children Macgregor, Juan and Jenn, David, Joseph, Kaylee, Jared and Teancum. His love and commitment to the Lord and others will be a lasting monument in the Whiting family and lives of many. The funeral services will be on Friday October 4, 2013 at 11:00 am, at the

Dear Judy, Alma and family, We were so sorry to hear of Mark's passing. It seems like just yesterday Judy and Mark were living here in San Diego. We were especially sad to hear that he suffered so during his fight with cancer. We just want you to know that your family is in our thoughts and prayers and that we have fond memories of Mark and Judy. It sounds like Mark and Judy had a large family after moving to Utah and we know that it must have given Mark a great deal of joy. It is really all about family! We are grateful for the atonement and for our knowledge that families can be together forever. May God bless you and your family and give you peace after this difficult time. Love, Barb and Glen Killian
