I want you all to know that first and foremost i love each and every one of you with all my heart. What i am going to miss most about Mandy is her infectious laugh and unconditional love. As a kid when her, misty and kayce would play I would say don,t go to the dyke its gross down there and muddy. They promised they wouldn't and pretty soon they would be back covered in god knows what was in that mud. She had the sweetest heart. Rick said that he would be in a store and hear " Uncle Rick" being yelled it was always Mandy with a big smile and a hug. I remember this as well. I know with all my heart she loved us all.And she will be missed so much by the lives she has touched. I work with people from countryview who knew her and feel the same way about her. She touched alot of lives in her short time here. I miss you Mandy so much and I know with all my heart you are with our loved ones on the other side. Til we meet again

I am sorry that Mandy passed away and will miss her. I am grateful for the time we shared and for the lessons that she taught me. She loved her kids and Reo, and we talked often of our love for Misty. I hope that some day we can paint nails and color hair again. It was the moments like this that formed a bond that will never go away. God Bless.
