My favorite memory of my father was going to liberty park and playing with my brothers and sisters among other kids on the zipline, checking out the aviary, and going boating out on the pond. It would make him happy to see us kids having fun.

A most memorable, fun time with my Dad is when he would take us to Harmon's for Groceries. He would send us to the Ice Cream Parlor while he shopped. Maybe that's why I dislike shopping....I'd rather be eating ice cream. Thanks for the great memory Dad.
