Oh my goodness, with tears in my eyes, I say Marty was one of my kindred spirits all though High School. He would watch over me, so others would not bully me. I saw him as 20 feet tall and arms as wide and strong as an Eagle. He was one of the most truly beautiful and honorable people I have ever known. I am so so sorry for your tremendous loss. May the pain within you remind you that he is indeed amongstest you, giving you those strong long hugs. God Bless You and Yours,

Tonie....all my deepest sympathies go out to you. Marty was truly blessed to have you by his side all these years. If there is a true definition of an Angel on earth, that definition is you. Your loving commitment, caring & compassion should be an example to all of us. He left this earth way to early. He is now in a better place free of pain and human physical limitations. I love you girl and am here for you what ever the need!
