Daddy I love and miss you so much. What I wouldn't give to have your arms around me and to hear you say I love you sweetheart one more time. You were and will always be my hero. You always knew what to say to put a smile on my face and make me laugh, especially during my hard times. You were always there for us, the good and the bad. We could always count on you. Thank you for all the wonderful memories and the life others only dreamed of. You will live on in all of us. Thank you for everything you did for our family. Thank you for being such a wonderful dad and Grandpa(papa). You will be in my heart always, till we see each again. I love you daddy!!!!

I was very saddened to learn of Bob Case's passing and I pray that the family will find the peace and comfort in the knowledge of the gospel. I will always have the fun memories of watching Bob and Linda interact and of the way he was so helpful to her and she taught geology classes for our ward. Deepest sympathies.
