I am always saddened by the death of a good person. It is from this sadness that a feeling of gratitude emerges. I feel honored to have known them and blessed that their passing serves as a reminder to me that my time on this beautiful earth is limited and that I should seize the opportunity I have to forgive, share, explore, and love. I will honor you by living each day like it's my last. Rest Easy Josh

Oh Josh what a guy you were. I enjoyed seeing you around at baseball games and fairs when i would come into town. You seemed like such a happy guy full of love and adventure. I loved that even though i was far away that i could know what was going on in your life through Facebook and watch everyone get older and see family accomplishments. You left us too soon. I pray your family gets through this because i think you were a big part of the family glue. Love you cuz, Emily Sandoval Whitaker
