Charlie Shaw

NOV 27, 1995 - NOV 2, 2015

Our beloved Charlie Shaw passed away due to complications from a rare blood disorder on November 2, 2015, and has returned to his Heavenly Father.

Charlie was born on November 27th, 1995 in Wailuku, Hawaii. He was nurtured and loved by his foster parents, Skip and Prim Macdonell. In the year 2000 Charlie was adopted into our family. We were blessed to have him teach us how to be more compassionate, how to love unconditionally, how to have fun in this life, and many more important life lessons.

Despite his illness, Charlie was able to serve an LDS mission in the genealogy department. He enjoyed learning about, and serving his family. Charlie was happy to serve in any capacity.

Charlie was a fun-loving, sweet-spirited young man, who always had a smile for anyone that crossed his path. He was a true and loyal friend. He loved without reservation. Charlie was an avid BYU fan, and was never shy to express that to those around him. Charlie loved food! He took cooking classes, and enjoyed practicing his new skills by cooking for his family. He enjoyed fishing trips, going to the Movie Theater, playing video games, and comic superheroes. Charlie was our superhero.

Above all, Charlie loved being surrounded by his family; his parents, brothers and sisters, but most of all, his nieces and nephews. Charlie was the favorite uncle.

Charlie is survived by his parents, Karen and Kenneth Shaw, his grandmothers, Anna Kenison and Noriko Hosoda, his siblings Cameron Shaw, Carrie Shaw, Kristina and Shane Hathaway, Kara and Valden Longhurst, Nathan and Sara Shaw, Judy Shaw, Marian and Mike Kleinman, and Jon and Jen Shaw. He leaves behind 22 nieces and nephews, and many loving aunts, uncles and cousins. He was preceded in death by his grandparents, Albert Kenison and Wilber and Blanche Shaw.

Funeral Services will be held Friday November 6th, 2015 at 11:00 am. A viewing will be held prior to the funeral from 9:00-10:45 am. At the Lakeridge 12th ward Chapel, 3735 South 7525 West,

Charlie, I still remember how we used to talk everyday and then one day you just stopped... you never told me about your worsening conditions and I thought you were okay.. until I read the people posting on your timeline... I wish I could have been a better friend....I'm sorry I didn't give you the time you deserved

I know that it has been almost a year... but I can't stop thinking about him. I miss him every day. Charlie was such a spirited young man. He loved anything and everybody. I don't think he had a mean bone at all. I adored him so. I know that this may seem insignificant, but we miss Charlie so much. We have a group solely to remember him... and I wish we didn't need it. At least he is no longer suffering... he is in a much better place.

I have known Charlie since elm. He always knew how to make my day better even when he was upset. I could talk to him about anything and he would do anything possible to make me smile. Charlie was a bright kid. He was a wonderful best friend. I would do anything to have him here again with me! I miss when I posted anything on Facebook he was the first one to reply and he always knew how to make me smile.... I'm not going what to do with out his post anymore 😭 My best friend is now gone but never forgotten... Charlie I love you buddy... Thanks for making elm, Jr. high, and high school a time to never forget.... I miss you! Fly high my friend.... I love you!! RIP

Judy, thank you for sharing so many memories and stories about Charlie with me over the last year of working side by side with you. I always loved hearing your stories about him and the rest of your family. We shared so many personal details with each other on a daily basis that I feel like I know many of your family members personally; especially Charlie and your cute nephew. Thank you for opening your heart to me and for being the amazing person that you are. I am so truly sorry for the loss of your little brother and your best friend. Please give my deepest condolences to your whole family. Please do not hesitate to reach out to me if you need anything--anything at all--any time, day or night. Please know that my thoughts and prayers go out to you; and remember that I love and care about you deeply and genuinely. xoxo

We in the Harry Potter Wizarding World are still devastated by the news that reached us Tuesday morning. Charlie Potter was dead! Everything stopped, no more roleplays, no more photos. Life in our world had come to a halt as the news spread like wildfire in our community. Over 5000 people held their breath and turned on mass to the chats to get confirmation of me if what they heard was true. I had to say yes it is really true so many times. We talked every day for hours, only when he was in the hospital it was less because he would always be so tired. Never will I hear him say, "Morning Grand" again, I just can't grasp it.... I had this connection with him, even I can't explain, he could go on about music, Eminem with me mostly because he knew I liked them to. And he got me hooked on Supernatural.... But also we could talk hours and hours about helping people and how we could do that inside the Harry Potter world. And who is we you might ask.... We is the Potter family that grew over the last 2 years. Harry Potter = Chris Rhyner James Potter = Larry Ray Mcghee Jr. Albus Potter = Connor Shear Lily Potter = Annabel Pigley Jackson Potter = Jackson John Jeffrey Weismann Sam Potter - Samantha Owen Jodi Potter = Jodi Wright Jackson's daughter Jazzy Potter = Jasmine Boyd Lily's daughters = Rhi Potter = Rhianion Mason Alicia Potter = Zoe Lander Lily's son Charlie Potter = Charles Shaw And me Ginny Potter = Tine van de Beek and he called me grand. Then we have a few outside the family but just as important to him: Jordy Cornelissen = Nyx Slytherin Thomas Hillman = himself Tyler Jordan = himself Katrina Alleyn = herself This is the last time we will see all of our names together and we will keep him an honorary member of the three broomsticks. The chat we use as our family chat. Charlie Thomas and Jordy handled security on the pages and kept an eye on me, for I'm not as strong minded as those 3 could be and I needed their protection in that time due to my own problems. We were 5 in headstaff, now we are only 4. This Family is in mourning just as you all are but unfortunately most of us live in Europe and can't come to the funeral. But in spirit we will be there, with you all. May God guide you through this valley of sorrow, knowing he finally got his wish, No more pain! On a more personal note, I'm just so glad that on Sunday night I told him I loved him before I said goodnight. Not that he didn't know that, but for myself I'm glad now. I tried to get in touch throughout Monday, not knowing he wasn't there anymore, What has happened is never spoken. Everything around me has been broken. When will the ground break? Where is the open gate? All are withering. Hearts are shriveling. This world has grown cold. There's only one left who can hold. One day we will actually meet. And you will be there to greet. No more virtual *hugs* God will reunite us! My boy's life has been very rough. And now I know what becomes of this world, Without his love. I'm missing you Charlie.... I'm sending you my love for the very last time and my last virtual *Hug* Because next time I expect a real one hunny. I love you....

Chuckles and I shared the same birthday. He would always make sure to say to me "our birthday is coming up you know" and "are you excited for our birthday?". It was always something I loved to share with him. The day after or the next time we saw each other we would talk about how "our day" went. When we first moved in across the street from him he was one of the first people over to our house and loved to play ball in my driveway. He would always talk about playing in the NBA and would practice his 3 pointer. His 3 pointer looked a little unconventional at times, but man would he drain them! In getting to know him I was always amazed at what he would just let roll off his back. Where most people would be offended or get angry, Charlie would let it be. He was and is a very non-judgmental and loving person. He will be missed in our family. We love him.

Over the years Charlie has been like a brother to my sons. Thank you Charlie! They will miss afternoons at the Melons playing board games and all the many days they just hung out together. Charlie has a way of lightening one's weight and would always bring a smile to your face even when he himself was in a bad mood. I loved being one of his Young Men's leaders and he is loved by our whole family! We look forward to the day that we will all be reunited! Our prayers are with his family!
