Mike and family, My condolences for the passing of your father. Here is a thought I found: Dad's Love Remains
Those we love remain with us For love itself lives on, And cherished memories never fade Because a loved one's gone.
Those we love can never be More than a thought apart, Far as long as there is memory, They'll live on in the heart.
Mark

I can't believe it's been 6 years ago yesterday that Dad took his journey into the stars... My Mothers name is "Barbara" Leona Bailey Andersen, who got her name from her Aunt Barb. Mom knew that all of her children were their's before she and Dad was ever introduced by the Adoption agent "Mrs. Reese". She'd tell Dad they needed to call Mrs. Reese because she had a dream. "Oh Boy" was Dads response and sure enough, there was a baby and before she could show a picture, Dad gave her the NOD and she described each of us down to the hairs on our head. Sure enough, the picture "sealed" the deal. After "Baby Boy Gable" (me), that was the Tracy Andersen Family. I miss you pops and our philosophical discussions. If and until we meet again, your "Pickle"...
