My sincere condolences to the Bybee family. I was acquainted with Pat for the last year or so and saw him shortly before he passed. I didn't learn of his passing until today and want to convey my sympathies.

Patrick was a very kind soul with a great sense of humor. I remember when I first met Patrick that he gave me a nickname I was his jumping bean. You will be truly missed. I will carry all the great memories we made.

It was with great sadness, although coupled with some feelings of joy, that we received the news of Pat's passing from this mortal life. He is now freed from the discomfort and pains that burdened his mortal life for the past several years. However, now he is with Beverly and other loved ones in a joyous reunion - with a lot of "Bybeeing" going on. Pat had a tremendous gift of loving and accepting almost anyone, regardless of their station in life. He had a warm and almost child-like love. My memories of Pat stretch across time - East Ely as little kids, the Georgetown Ranch and the Slaughter House, hiding in the willows near a creek at Lehman Caves, Bybee family reunions in Nevada and Utah, and helping Pat with Family History information. We will miss Pat, and pray for his family as they mourn his passing. A Cousin, McClain and Karen Bybee Family
