Michael was also known for his sense of humor, always teasing and playing practical jokes on those around him. He loved to travel and took his family on many trips to Disneyland, the Grand Canyon and Yellowstone National Park. He also loved camping and fishing, especially in the high Uinta mountains, Christmas meadows was his favorite place. In his last few weeks of life, he was still talking of going fishing and looking forward to getting better. To Michael's family, So sorry for your loss. I am Mike's cousin. My mother, Beth Winget was June Olsen's sister. I have lost contact with Mike and his family and just recently heard about his death. I have many fond memories of Mike and Lovenna. They both knew how to smile and laugh and make life happy. He was a big tease and was fun to be around. He was tall and always seemed to have a big smile on his face. I'm sure he was a super fun Dad and grandfather. He loved to be around children. My father was Albert Winget and I think Mike could of told you some stories about some of our family campouts and deer hunting times with his family when he was a teen. I have pictures of those fun times. Mike and Lovenna went to the Manti temple to support my parents when they were sealed together. I remember him there. My heart goes out to you and pray you will feel comfort from the Lord. Nancy (Winget) Gould

I will always remember the fun we had camping and fishing. Thankyou for teaching me how to fish, hunt and be strong. You taught me so many things in life that I'm grateful for. I wish you didn't leave but I know you wanted to be with mom. I will always think about you and miss you. Love, I your daughter Janet
