My deepest condolences to Doreen, all of their Children and Grandchildren and to my Grandmother Evelyn who I know loved her Brother dearly and kept him in her thoughts every single day. My families love and well wishes for everyone. Uncle Bill, I feel fortunate to have known you and to know how well of a life you led. You left everything better than you found it and I can only aspire to have accomplished the same thing with the ones I love when I look back at everything I know at the end of the day.
