Annette Ellis Taylor

FEB 2, 1954 - MAY 30, 2016

Annette Ellis Taylor born in Duchesne, Utah to remarkable parents Ramon & Rosanna Foy Ellis. She is the sister to Rodney Ellis (deceased), Gaylon (Ann) Ellis, and Jolene (Dennis) Mackay. Mother to Marcie (Richard) Burrill, Amy Allman(deceased), and Jamie (Jeff)Dumas. Nana to Alexandria, Kolton, Braxton, Jace, Marissa, Peyton, Justin, Jeffrey, Addysen, Jesse, Whitney, & Wyatt. Best friend of 48 years to Julie Horner. Her greatest joy in life was her children, grandchildren and their accomplishments. She was a wild one and loved to have fun. She served in many callings in the LDS church, Young Women's was probably her most favorite. She loved all of the youth in the neighborhood, church, and our friends. She took every teenager into her home and heart that she could. She thought of others and was very kind to those in need, always had an open door at her home for anyone that needed a listening ear, a bed to sleep in or a hot dinner. Her little notes to brighten other people's days spread that sunshine she carried in her soul. Even through her health trials she kept everyone laughing. Every surgery she endured, she made sure the Doctors and Nurses were in stitches, telling jokes and entertaining. She never met a person who she didn't leave an impression with. She was a lot like her Nana "Bright and Sassy", kicking up her heels, dancing and singing all of our years growing up. She loved going to Duchesne and had a special closeness with Momma and Papa Foy, spending time at the ranch and riding horses. As Mom's health declined she struggled with not being able to do everything she wanted to do, but she did what she could. She defied all that she was told she couldn't do in this life; live past 5 years old, having children, working, definitely not live until she was 62 (not that she would want that shared with everyone). She crocheted blankets and afghans for her grandchildren, she started to oil paint and did beautiful work. She will be missed dearly by all those who every came in contact with her. Her shining star and hard work has just begun. She is happily reunited with her parents who she missed dearly,

Oh how I've missed you over the years of not being in contact with you and not being able to locate you. My hearts aches that I could not be there for you and your family at the difficult times over the years. But I'm so blessed that you are no longer suffering that pain that you have endured over the years. You will always be in my thoughts and prayers along with your family. Rest in peace Annette - this is your time to celebrate, dance, sing, meet new friends and just enjoy. I love you and cherish the laughs and giggles we shared. Susie Hansen XOXO
