Judith Dee Nelson Anderson Thorn 1940-2016

Born as Judith Dee Nelson to Foster Nelson and Emma Myler on Jan 19, 1940 in Albany California she was the first of 3 sisters. She grew up in California where she met Willis Gary Anderson. They later married and had two boys, Donald G Anderson and Mark W Anderson. In 1963 the family suffered a tragic loss. Willis succumbed to cancer after a few short years of marriage. Not willing to just sit around, she wanted to get an education and decided to move to Utah with her two young sons to attend college.

Shortly after arriving in Utah she met Eugene Whitney Thorn and fell in love again. They were soon married and two more sons entered the family, Brian Eugene Thorn and Steven Bruce Thorn. Then came another setback in the loss of a child, Jeffery Thorn, soon after birth. Not to be outdone, a little sister Elizabeth Diane, soon came into the picture to give the boys a run for their money.

Judy enjoyed gardening, bottling fruits and vegetables, and being outdoors. The family spent many days in the mountains fishing, hiking and hunting.

Judy was eventually divorced from Eugene and decided to get an education. She was able to gain employment at IHC as a medical records worker where she stayed and eventually retired. She continued to love her children, grandchildren and great grandchildren, giving each one her personal love and attention.

Due to continuing health issues Judith eventually succumbed to death and to return to our Heavenly Father on June 16, 2016.

She is survived by: Sandra Oldfield - sister

Children: Donald G. Anderson, Mark W. Anderson (RaeAnn Anderson), Brian E. Thorn (Lori Thorn), Steven B. Thorn (Vickie Brown), and Elizabeth D. Thorn, as well as numerous grand and great grandchildren.

Elizabeth, what a sweet mother you have..... I remember sleep overs at your house and your mom calling you Libby..... Oh how mad that made you, but she really thought that was fun..... She was a wonderful lady.... I'm glad that you were able to spend so much time with her and what great memories you have..... God Bless You and the rest of your family.....

Time did not allow our family to meet Judith at the wedding of our daughter, Vicki to her son, Steve in only a few weeks ! But, from Vicki I learned of her and how kind she has been to accept our daughter in to her family. It is so important to start a marriage with family unity and I appreciate Judy for this gift. It is a blessing for Vicki to have been able to meet Steve's Mother and have that memory. Mary E. Brown. Newton, Utah

I will miss my dear Aunt Judy! She was always a joy to visit in Utah with my sweet cousin Elizabeth. She came all the way to California for my wedding and it meant so much to me. I'm grateful to be related to such a strong and amazing woman. What a legacy! I will miss her but I'm grateful she's now with my mom, enjoying each other's company.

Grandma Judy, as we all call her, suffered a stroke recently, but while she was still lucid she absolutely loved seeing her great granddaughters. She would get a twinkle in her eye and a smile on her face when they went to visit her. She cherished every minute with them. When she was bedridden she loved to have them right up close to her so she could try to play with them. She loved all of her grandchildren and they knew it. There was no doubt that she loved them unconditionally. What a wonderful grandmother she was! Her grandchildren will miss her dearly.
