## Mary Liebschutz 1936 - 2016

Our dear mother, grandmother, aunt and friend Mary Helen Bragg Liebschutz, with her daughters and oldest granddaughter by her side, returned to her heavenly home on Friday, August 5, 2016. Mom was born in Altadena, CA on November 11, 1936 to Harold Ritter Bragg and Mary Alice McMurray. She grew up in Long Beach CA, and graduated from David Starr Jordan High, then moved to Provo, UT to attend Brigham Young University where she graduated with a bachelor degree in Child and Family Development.

While contemplating about serving a mission for The Church of Jesus Christ of Latter-day Saints, she met Lester Stanley Liebschutz; they married in the Los Angeles LDS Temple on December 28, 1959. They decided to return to Provo, UT shortly after the birth of their first daughter Lori; almost five years later they welcomed their second daughter, Cynthia, into the family. Later they divorced, but remained friends.

Mom had a great passion for travel, as a consequence she passed that wanderlust on to her children and grandchildren. In the summer of 1977 she bought a trailer, packed up the Suburban then took her two young girls on an adventure to discover the United States along with LDS Church history sites. Mom embraced every opportunity she had to go on scenic drives up Provo Canyon, go camping and on photo safaris, study road maps, make jewelry and color in adult coloring books. Mom would later return to BYU to develop her love of photography. She was recognized in numerous art exhibits for her talents in photography. This love of the arts and nature was also embraced by her posterity who learned from her to notice the wonders that God has created. She served for a few years as the chief photographer for the LDS Utah Valley Single Adult Conference where she was able to produce inspirational slide shows to celebrate each year's events.
