## R obin Carlene Anglin 1961 - 2016

Robin Carlene Anglin passed away September 28th 2016. Born December 22 1961 to Wilber and Patricia Morgan in Corona CA.

Robin was always a wild one. She spent her days doing whatever it was that she wanted to do. A loving mother to more than just her biological children. She had a lifelong love for motorcycles and fast cars. She loved driving the dragsters any time she could. She also enjoyed boating, camping, or just cuddling her kids to watch a movie.

On February 14th 1994 Robin married Thomas Anglin. The love of her life. Shortly after they had their only son, Jerimiah. Tom and Robin also later welcomed their daughter, Brittany. Tom also raised Robins first two daughters, Racheal and Ashley as his own.

Robin fought very hard for a very long time. She fought for her kids. She fought for Tom. Robin peacefully left only after Tom told her she could go.

She leaves behind Racheal, Ashley, and Brittany. Her son, Jeremiah, and her devoted husband, Tom. She also leaves eight grandchildren, and countless other children that called her mom. She loved them with all her heart.

She will be missed. Always.

Hi baby I sure do miss you and we have many many memories together. one of the things that I thought was kinda cool was that we were both from neighboring Citys Redlands and Riverside Calif. we are both 54 and born in the same month and met in Ogden UT. I always took pride in that. when I met Robin she had two lovely Daughters and she would do anything for them and then we had two children and she would do anything for them. the thing about robin is that she was always straight up with you and if you was out of line then she would help you straighten your self back out. she was only 5 ft 3 in but she was a fire cracker and very respected by all our friends and are kids friends. Robin loved are boat and camping and she would buy so much food and stuff to go camping and boating it would look like we were moving, she made sure that we never went without.and she would do the same on Christmas. The bottom line is, is that it made her happy. those memories of her doing those kinda things is what makes me smile I miss you dearly and it herts my heart so bad. My beautiful niece. I remember you and your sisters always dressed up so cute. I spent a lot of time with you and your family when Uncle Bobby was in Viet Nam. You were all such sweet little girls. Where did the time go? I didn't see you after you moved away. I knew Racheal but I wish I could have known your other children and met your husband. Rest in peace and may God comfort your family. Love you.
