# **Jesse Eugene Van Allen**

JUN 5, 1977 - NOV 11, 2016

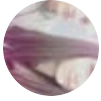

**J**esse was born June 5, 1977, in Twin Falls, Idaho. He left us far too soon, November 11, 2016, for a better place. Jesse loved driving for a living and did it exceptionally well. He loved anything sports, especially the Browns. He had a great sense of humor and a playful personality. He loved music, history, and had an amazing love for all animals. Most of all he loved his family and his sweetheart and was loved just as much in return. We are heartbroken but he will always be in our hearts and minds and we will miss him every single day for eternity. He is survived by his forever sweetheart Suzanne Fenn, sons Tyler Van Allen and Ethan Van Allen, daughters Emma Van Allen and Olivia Van Allen, brother Jeffrey Van Allen, Mother Karen Allen, and father Jon Van Allen. We will miss you Jesse...Dad, Son, Brother, Friend and Love. Until we meet again.

Dear Karen, David and family, My heart is filled with sadness for your sudden heartbreaking loss. He was far too young with much of his life ahead of him. I know that he must have been a great guy from the quality of his two sons Tyler and Ethan. Both are intelligent, compassionate and have excellent manners. VHS is proud to count Tyler as a former student and graduate. I speak for the entire Valley High family when I say we are sending love and prayers for healing your way! Sharon Jensen
