## **E**dith Margot-Ursula Mogensen 1936 - 2016

Edith Margot-Ursula Mogensen 80, passed away peacefully in Ogden Utah on Friday December 16th.

Born in Berlin Germany on October, 27th 1936 to Paul and Frieda Schumacher, Edith was married to Donald Hugo Mogensen in Munich Germany on June 14th 1960. They resided in Marriott Slaterville Utah for over 50 years since 1965.

Edith loved working and spending time in her flower and vegetable garden and sold cucumbers for years directly to the public. She loved her dogs and over the years had many special companions most recently her beloved Wolfen. She attended school in Prenzlauer Berg Berlin Germany and 2 years of Business College in Berlin Germany. She worked at the IRS for 22 years as a data transcriber, supervisor and tax examiner. Edith is survived by her Husband of 56 years Donald H. Mogensen; daughter Marion E.(Lex) Miller, and son Don P. (Tammy) Mogensen; her grandchildren Jesika (Tyson) Bair, Kristian Miller, Kiefer Mogensen, Alex (Ashlee) Visser, Caitie (Alex) Govern and 4 great grandchildren. She was preceded in death by her parents. Rest in Peace Mom.

She was an amazing woman who had an amazing life and always had a story to tell, especially about her childhood and her memories of life growing up in Germany during the war. As a young child, she was subjected to many events that most people could not imagine going through, making her the strong willed person we've always known her to be. If there was an obstacle or she was determined to do something she always found a way around it or figured out a way to succeed in her endeavors. An example of her strength was when she moved to the United States in 1962 with only her small daughter, while waiting for her husband's military tour to end. On her own and in a strange country she was able to get from New York to Utah and find a job until her husband was able to join her. Her determination and success in taking care of herself and her

Marion I was very sorry to hear about the loss of your dear Mother. I always enjoyed running into your Mom and Dad at Shopko on senior day. I always thought alot of your mom and was so thankful that she had a kind beautiful daughter that has been there to love and take care of my son Lex. Again Marion my thoughts and prayers are with you as you grieve the loss of your dear mom. Love you,Mom Miller

As a young boy I remember spending time in my mom's flower garden where she would tell me about what each of the different flowers were. I specifically remember her talking about "bachelor buttons" because those were my favorite. She had all kinds of flowers including snap dragons and geraniums and many others whose names I have forgotten. Her garden was where she spent most of her time and she was very proud of how beautiful her garden was. There was nothing I couldn't talk to my mom about, she always listened to me and gave her opinion and that helped me make decisions in my own life growing up. My mom and I agreed on most things and she played a big part in the person I am today, I could not have accomplished as many things in life without my mom. My mom did so many things for me over my lifetime I can't name them all here but I think the best thing she did for me was listen and provide her support where she could. Sometimes you don't realize what you had until it is gone, I always realized what a great person and friend my mom was but now that she is gone I realize even more how much I will miss her and how much she has done for me over the years and I will think about her every day. I hope that before she passed away as she was sleeping she was thinking about all the good times we had and especially those days spent in her flower garden on those beautiful summer days and that those were some of the best days of my life and will always remember them. I hope she also knew just how much I loved her and that I will always miss her. Rest in peace mom.
