I just felt impressed to check the obits tonight and was just stunned..I bumped into Ron in front of the store a Friday or so ago whilst you got your hair done.....I have tears in my eyes thinking of you two...I hope you know how big of an influence Ron had in my life...the gentleness he showed to this often rash counselor of his, the deep and simple conversations we had, the trust he showed to me when he went out of state to work form 3 months and left me in charge of his ward, the friend he has always been. May the balm of the saviors love enrobe you all.....the man led a good life and left others well because of that life!Deepest affections,Brent G. Troutner
