Ben D. Wilkerson, born August 10, 1935 to William and Inez Cartwright Wilkerson, passed away peacefully on January 3, 2017 at the age of 81.

He was married to Janet Hoggan in 1964 and later divorced. Survived by his children Jill (Andrea), Alan, Suzy (Troy), and Jeff (Veronica), 7 grandchildren and 2 great-grandchildren. We will always remember his love for the outdoors, especially camping and fishing, his generous and loving nature, and above all his dedication to family.

Ben's family wishes to thank the staff at Sandy Health and Rehab for their kind support and care of Ben over the last six years. Thank you to the Hospice staff at OneCare for providing comfort during his final weeks.

The family is honoring Ben's wishes which was to celebrate together while he was still with us and no service afterwards.
