Sweet Sandy, you are deeply missed! I had the opportunity to get to know you while you attended the pool exercise classes at TOSH. You were always so sweet and always had a smile on your face. You had a way of making everyone feel welcome. I loved listening to your stories and jokes. I could always count on having a good class when you were around. Thank you for all the visits and chats we had about life. You had such a great outlook on life. You were so humble and kind. I will miss you so much my friend! I know you are in a great place now. I wish your family peace and comfort at this difficult time. Love, Jamie
