Clyde David Fritch

OCT 17, 1952 - MAR 10, 2017

Clyde David Fritch was born on October 17th, 1952 in Park City, Utah. Clyde returned to his Heavenly Father on Friday, March 10th, 2017.

Clyde had a love of country. He served in the Armed Forces. He worked for the U. S. Marshall's at Fort Douglas. He spent the last 30 years serving the downtown area of Salt Lake City in the hospitality field. Clyde loved studying history. His knowledge of events was extensive and impressive. His favorite time periods were during the Civil War and World War II. He could talk about history and politics all day if you would let him. Many have said he was a protector, someone to have a great conversation with and had the best stories to tell. He was the kind of man with a big heart and would do anything he could to help you out. If you knew Clyde, you knew he would do anything for those he loved and cared for. Clyde was a favorite Uncle to many of his nieces and nephews. Everyone looked forward to seeing him at family functions. Clyde had a special bond with his son, John. For the last two years he lived with Johnny and his wife, Adri. They grew closer and were the best of friends as any father and son could be. To hear them talk and laugh together would bring a smile to Adri's face. She loved that she could bring them together into one home and take care of them both. Clyde had a close relationship with his son Michael. Many nights Mike would go into the hotel, when Clyde worked a graveyard shift, and he would take him dinner. He loved Michael and enjoyed all the times he spent with him. His laugh was mischievous and his smile could brighten your day. Clyde is survived by his sons Michael C. (Jana) Fritch, John L. (Adriana) Fritch and his six grandkids; Isiah, Spencer, Zachary, Hagen, Portia and Pierce. He is also survived by his brothers Michael D. (Gloria) Fritch, Daniel G. (Cathy) Fritch, Robert K. (Karen) Fritch and sister-in-law Kristie (John Carl's wife). He is preceded in death by his parents John Clyde Fritch and Edith Beth Winters and his brother, John Carl Fritch. A viewing will be held on Friday, March 17th, 2017, from 6 – 8 p.m. at Woods Cross Utah North Stake, 1509 West 1500 South, Woods Cross, Utah. A graveside dedication will be held the following morning, Saturday, March 18th, 2017 at Park City Cemetery at 11:00 a.m. for those who wish to attend.

I worked with Clyde at Fort Douglas during much of the 1980's. He was a universally liked, well-respected, and a good friend and colleague to me and many others. We shared many a humorous moment at the Fort, and many old stories were told. I'm very sorry to hear of his passing and would have wished him many more years of life to enjoy his family. Truly a unique person, and great man to have had as a friend. Rick Murdock Salt Lake City, Utah

I was saddened to hear of Clyde's passing. I too remember those days at Fort Douglas working along side Clyde. Who can forget that smile? His wit and intelligence and loyalty to friends will never be forgotten. Knowing and working with Clyde was an honor. As mentioned by others, he could entertain with his stories and experiences of life's lessons learned. Thank you Clyde for making this world a better place. Your charm and wit and smile will be missed. John BeverleyPreston, ID

Clyde was a very unique individual in a very good way. I always respected him enjoyed being around him, and loved his smile. Its hard to realize he is gone, just like his mother Beth, his brother Carl, and grandma and grandpa Fritch. The Fritch family has meant allot to me over since I meet them when I was 14. They where my second family, all very accepting, and I have always appreciated that. Clyde, I am sure that whey you came up to the gates of St. Peter, you had your trade mark smile and St. Peter wasn't sure if he was getting kicked our and you where coming in. I do look forward to seeing you again.
