Faye is a wonderful and caring woman. I worked with Faye at Hill Air Force Base for several years. She was always so generous and sweet and always wanted everyone to be happy. I remember the day she brought in the hardware that was removed from her back - that was amazing - as was she. She even made a flannel hockey blanket for my first grandson! My family still uses several of her recipes she was so willing to share with us. We send our deepest sympathy for your family and will always remember her fondly. Tony Connelly
