Patsy Lucile Wintle

On May 18, 2017, after many years of ill health, Patsy Lucile Wintle, age 70, was finally able to return to her Father in Heaven, and she was joyously greeted by all of her loved ones. Pat is the daughter of Lucile and Lue Birch, her goodly parents. She loved them deeply and served them both to the very best of her ability until her body would no longer allow her to do so.

Patsy married Rodney Wintle on Dec. 9, 1966 in Ogden, a marriage which was later sealed in the Logan Temple, and together they had one son, Jason.

Patsy came from the generation that knew how to work, and work hard, which she did throughout her life until her retirement. She loved to bake and worked at Topper and White Community Bakeries and later at Meals on Wheels. She used her wonderful talents to bless the lives of those she loved by baking and decorating incredibly exquisite wedding cakes for many. She also enjoyed all forms of needlework, including Tatting, an extremely complicated and difficult craft used to make lace. She excelled at all of the handiwork that she did.

Pat was a truly kind and gentle soul who valiantly accepted, without complaint, the many trials that she faced throughout her life.

She is survived by her husband Rodney, son Jason, sister MaryLu Sheehan, brother Michael Birch, and numerous grandchildren, nieces and nephews. She was preceded in death by her mother Lucile, father Lue brother Gary, and grandparents.

The family would like to thank Mountain View Health Services and Envision Hospice for their kind and gentle care.

Gail Winterbottom posted:

I just now learned about the passing of one of my most beloved friends. Pat and I were friends from middle school through grandmother-hood, when poor health for both of us drew us out of touch. My children loved her too. She was always an honest and kind true friend. She was devoted to her family and took joy in caring for her mother. She was so proud of her dad, the much loved Officer Birch, who made the youth of Ogden his priority in serving his community. Rod and Jason, I am so sorry for your loss.
