Daniel Victor Lubecke 1927 - 2017

Daniel Victor Lubecke, age 89 passed from this world on Friday, June 23rd surrounded by his loving family. Daniel was born in Amherst Junction, WI on October 31, 1927 to Charles and Gertrude Lubetski. He was the 5th of seven children. He served his country in the Army Air Corps during WWII, part of that time being stationed in occupied Germany. He went on to experience many great adventures and thought he would be a bachelor forever. That changed in 1959 when he met Carmela Diaz while he was sightseeing in Mexico City. They married in Mexico City shortly thereafter and they settled down in Whittier, CA. Carmela remained the jewel of his life from that point on. They happily raised two children together. He worked for North American Rockwell in Downey, CA for many years as part of the Apollo spacecraft project. He was an electronics wiz and later worked for Zenith as Tech Support for TV repair men all over the country. He also taught evening electronics classes at Cerritos College for many years.

After they retired, Dan and Carmela moved to Spanish Fork, UT in 1994. He was a very active member of the Spanish Fork Senior Citizens Center. He could often be seen volunteering to help with the food bank, sing with the chorus or play his harmonica at their luncheons. He especially enjoyed playing hours upon hours of pinochle with his many new friends.

His family however, was his greatest joy. He was a devoted husband, father, grandfather and great-grandfather. If you look up the word "grandpa" in the dictionary his picture should be right there. He loved his family deeply and was a wonderful example to all of them. We will miss him more than words can express.

He was a lifelong devout Catholic who served as a Eucharistic minister for many years at San Andres Catholic Church in Payson.

One of the times I remember most was when I came out to Spanish Fork for one of the grand kids weddings and spent the week end at your home. Such a wonderful family. My father Roy always enjoyed Daniel and would tell me how Daniel raised such a wonderful family. And if you remember I met my husband of 30 years at Susan's wedding. I married Glenn 2 weeks later, he's been gone now since 2011. We went to the Senior Center and we sang and I saw Daniel play. It was truly wonderful. So much joy in the air and so many people were their.I how he will be missed in this life and surrounded by his family in the next life.Love Sunny Charlene Parmenter Smith Evans
