Jean Gustaveson 1933-2017

Born May 27, 1933, Boulder City, Nevada to Silven Vergil Peterson and Audrey Cordelia Davis, Jean lived a long and productive life. She deeply loved friends and family. Jean passed away at home in her sleep Sunday, August 6, 2017. She was 84 years old.

She is survived by Sherrie (Tom) Day and Marla (Dan) Floyd. Her children Karen Lee, Scott Gustaveson, and Clark Gustaveson preceded her in death. She was sealed to Lee Gustaveson in the Manti Temple, March 23, 1951. They divorced in 1982.

Jean was born and grew up in Fairview, Utah. After marriage, she moved to several places in Utah and Virginia. As her health declined in her twilight years, she found respite from the demands of life with her daughter and son-in-law, Marla and Dan, in their West Jordan home.

Her life was filled with helping family and developing lasting relationships. She often would drop whatever she was doing to help family or friends in need. She was a blessing to everyone around her. She was quick to smile and always ready for a good game. Dominos, Contract Rummy, and Skip Bo became her favorites.

Her talents and interests included plays, horseback riding, camping, quilting, sewing, music, reading, doll making, crocheting, and family history. Many family members still enjoy the afghans and other items she crocheted for them. She was always generous and willing to share her time, talents, and everything she had.

She grew up loving pets. Some of her most cherished memories growing up were of them: two dogs and two ponies.

Jean was a hard worker. She worked as a microfiche clerk, a tool clerk, and a security guard to make ends meet.

Jean will be missed.

Jean was a happy person, making the best of the situation. She was always so happy to be a part of Peterson gatherings, and fun to be with. We are grateful that she is now in a better place, with loved ones, enjoying their reunion. How wonderful that she had Marla's family and others to help her through years that were not too joyful generally. Neola Miles

Jean endured many challenges in life and still loved to laugh. I admired her intelligence and cleverness at the Dominoes table. May she rest in peace, finally free from the pains of her earthly body. Carol Conners
