Boyd Miller Fullmer 1925 - 2017

Boyd Miller Fullmer passed away on August 18, 2017 at the age of 91 after a short illness. He was born on September 22, 1925 in Panguitch, Utah, the fifth of eight children to Arvil E. Fullmer and Maud Miller. He married Florence Inkley on June 21, 1951 in the Salt Lake Temple. They were married for over 66 years. They are the parents of five children, Mark (Greg), Doug (Bonnie), James (Gwynne), Susan, and Joseph (Mya).

He grew up in Sugarhouse, Utah, graduating from South High School in 1943. He worked with his dad and brothers to build the family home on 1900 East and 2100 South. He served in the U.S. Army in World War II as a member of the Army Corp of Engineers. Upon returning from the military he studied at the University of Utah graduating in political science and law. He practiced law in the Salt Lake area for over 35 years. Upon retirement from law he spent 23 years working for a dear family friend, Jared Fairbanks in the mortuary business.

He loved the mountains, fishing, hunting, traveling and being with family. He was always active in the LDS church fulfilling many callings in the Elder's and High Priest quorums and in the Sunday School presidency. Following his retirement from law, he was a service missionary at Welfare Square for several years providing legal advice to those in need. He served with his wife in the Salt Lake Temple and in the branch presidency of Holladay Health Care. He loved singing in the choir. He will be remembered by family and friends as a humble, kind and generous man who was quick to forgive and willing to help however he could.

He is preceded in death by his parents, his brothers Jay, Keith, Ferrol, Ron and sister Maureen. He is survived by his wife, Florence, his five children, and sisters Vonna (Bonnie) and Fay Rita. He has 11 grandchildren and three great grandchildren. His grandchildren loved all his stories and jokes.

I loved this man. He was amazing! I couldn't believe how strong and capable he was moving casket and overseeing funerals in his 80's. He was very proud of his abilities and I was just as proud for him. We worked many of these funerals together and he was an energizer bunny. Rain, snow or blazing sun never stopped him. He had a good heart and always had a good story. I believe he was related to most everyone in Utah. Boyd was a blessing in my life. My thoughts and prayers go out to the family.
