Carl Anderson 88 years old – born 1929 – died September 13, 2017

On Wednesday, September 13 in the afternoon, Carl Anderson died in the company of many loved ones including his wife, Rosemary Anderson, who he had been married to for 64 years. The marriage was blessed to have six children: Carlin Anderson and his wife Jackie; Cottie Anderson; Keb Anderson and his wife June; Tina Anderson; Julie Bartz and her husband Jim; Brian Anderson and his wife Jenny Lee. The family now includes 17 grandchildren, 15 great-grandchildren, and one great-great grandchild.

He grew up in Kansas, but moved to California in his later teen years. In time, he moved back to Kansas and served in the Air Force. He enjoyed dancing and became a manager of a dancing studio in Kansas City, Missouri and found his lovely wife there.

After some years he and his wife found the most important thing that would shape the rest of their lives. As they studied the Bible, they learned the name of the Creator of the Universe, Jehovah God. Although Carl worked secularly as a painter and carpenter, his main vocation was serving as a Minister for Jehovah God as one of Jehovah's Witnesses. The family made many moves to help spread the good news about God's Kingdom. In 1970 they made their move to Utah where they settled in Spanish Fork. Later moves were made to Hailey, Idaho; Billings, Montana; with Ogden, Utah becoming his final home.

Although Carl will be greatly missed, the Bible's hope of the resurrection greatly buoys or lifts the family's hearts. Many scripture speak of the dead as being in a deep sleep awaiting a resurrection.

One comforting scripture to the family is where Jesus is talking with religious leaders of his day, in Luke 20:37-38. Quoting Jesus he speaks of Jehovah his father as the "the God of Abraham and God of Isaac and God of Jacob. He is a God, not of the dead, but of the living, for they are all living to him." The Bible teaches then that a person who has died is alive in God's infinite memory,

Thank you for letting me know ❤️ I've had you and you're family in my thoughts and prayers this last week. I wanted to text you sooner, but I thought I would give you some space first. But, I just wanted to let you know that I loved the time I got to spend with Carl! ❤️ He always put a smile on my face! Carl was such a jokester! 😄 Which is why I loved him so much! The times we would sit and talk, Carl would be very down to earth, and would give me great advice about life! My favorite memories of him were us sitting outside talking or going out on walks. Every time we were out in nature, he was so observant and appreciative of the beauty around him! Visiting him was always something I looked forward to ❤️ I know you already know this, but Carl loves you so much! Every time you left to run errands, he would worry about you and would always tell me what a great woman you are ❤️ I hope you are doing well Rosemerry. And I will continue to keep you in my thoughts! One of the nurses mom
