Dale Frost

JUL 12, 1928 - SEP 19, 2017

Dale, “Jack” Frost was born July 12, 1928 in Oregon City, Oregon. He was a life-long lover of the outdoors. He spent over 40 years in the U.S. Forest Service and many more years camping, hiking, and playing in the same. He attended Oregon State University and was the first in his family to graduate from college.

He married and lovingly cared for his wife, Mary, for more than 50 years. He adored his 2 grandsons, especially when they both joined the military.

After retiring, he became active in mission work in Mexico and at the Utah State Prison. Jack is survived by his son and daughter-in-law, Tim & Joanne Frost, his grandsons and their wives, Dale & Tatyana Frost, and Patrick & Bobbi Frost. Jack welcomed his first great-granddaughter Max Marie Frost in March 2016.

A time of remembrance will be at Hidden Valley Presbyterian Church (12883 S 1300 E, Draper, UT) on Friday, September 29 at 7:00 pm.

In lieu of flowers, please consider donations to Hidden Valley Presbyterian Church or to Huntsman Cancer Institute <https://donate.huntsmancancer.org/give>

John W Austin posted:

I have many great memories of my friend and colleague, Jack Frost. I was honored to follow Jack to the Wallowa-Whitman National Forest (as Forest Engineer) and we shared a common love of the beautiful Northwest high country. I always thought of him as I visited the many projects that he had initiated in his time here, and I could always depend on his groundwork proving to be insightful and complete. I will think of you again, "Frosty," every time I travel over the many roads and trails you left behind. John W. Austin Forest Engineer (Retired)
