Our condolences to the family. Heber was a wonderful friend and neighbor and we miss him. We know he looking forward to being with Vera again. Heber was generous and kind to everyone and helped change people's lives. He was an inspiration to us. I loved chatting with him while he walked around the block. He had a strong testimony of Jesus Christ and faithfully went to church and served others. I loved hearing his stories. Our prayers are with his family and his church family.

This man was like a grandfather to me and my little one Ashley. I will miss him and his happy face that would always stop to say hi and chat as he walked past the house I was living in at the time on Kensington. He is happy now to be reunited with his loving wife.

Rest In Peace, Heber. You were a good man, an example to all who knew you. You were a good neighbor, soldier, Utahn, churchman, friend and family man. We lived next door and enjoyed seeing you and Vera and your family, keeping our yard up so we didn't let you down! I lost touch, but always thought of you with the highest regard. Natalie and I are deeply saddened to learn that you've passed on, months ago. Rick and Natalie Moldover.

Heber was one of the finest gentlemen I know. My entire family loved him. We are thankful for the times we were able to spend with him. He taught by his great example of love. He had such a special way about him that you always felt like he understood exactly how you felt and that he cared. He was a VERY special man. We will be forever thankful for knowing him.
