Eileen was my sister that I never got to meet in person. We became fast friends online through the charity Free Charity Cars. We soon began talking on the phone, and in no time, it felt like we had known each other forever. It has been at least 9 years since we became friends. I just spoke to her last week, and I knew she was very ill, but I didn't know it would be the last time I heard her sweet voice. Our last words to each other were I love you,so I will hold on to that forever my sweet sister that I never met!! I love you Eileen,until we meet for real!!
