Bill was a great guy and even though I haven't seen him for quite a few years, we use to enjoy the car hobby together. Bill is the only guy I knew that kept his Corvette in his living room. Hopefully you will be driving that Corvette up above and you will always be remembered. Wish we would have spent more time together in the good ole' days, but life just goes by to fast. We will miss you Bill. Ray & Debbie Campbell Orem, Utah
